To Whom It May Concern,

It is always a pleasure to work with Gravity Play and Scott Butler. As the preferred DMC at the five star, five diamond BROADMOOR, we find it so easy to work with a vendor who understands how to deliver the same kind of five star standards to our high-end clientele. Gravity Play is fully insured and takes every precaution for our guests' safety. They do all the worrying about insurance and waivers so we can concentrate on helping the guests maximize their experience.

Our strong partnership with Gravity Play is based upon the company's flexibility and overall professionalism. We depend on them for outdoor recreation, teambuilding games and occasionally, the odd job of sand art for a children's carnival. For Scott Butler, no job is ever too big or small and he is always able to make our clients happy, be it with a energy-packed ride on a bungee bull or a quiet hike through North Cheyenne Canyon. It is for these reasons that I strongly recommend Gravity Play as a way to make best use of your client's time, and to give your clients the best possible experience during their visit to your city.

Sincerely,

Susan Fort
